The Congenital Heart Walk is the only national walk designed specifically to fight CHDs (congenital heart defects) and is a joint effort between the Adult Congenital Heart Association and Children's Heart Foundation! Our walk is a way to show the nation how a team of inspired individuals can make a difference and provide hope for the millions of families forced to face the challenges caused by a CHD.

### Team Up to Fight CHDs

Form a team by asking your friends, family, & coworkers to walk with you. Register today to receive your starter team captain's kit.

### Prizes, Prizes, Prizes

The more you raise, the more you earn!

\$100 = Official Walk T-shirt

\$500 = Apple Ipod Shuffle

\$1,000 = Golden Hearts Club

### Why We Walk

- ♥ To provide hope by raising vital dollars to continue our missions of services, programs and cutting-edge research.
- ♥ To support the millions of families who have been affected by a CHD.
- ♥ To honor those individuals in our lives including:
